

Small Talk

Summer 2019

Welcome to the Summer 2019 edition of our newsletter, bringing you seasonal and topical information and updates.	<u>Puppy Parties</u>		
<u>FREE Arthritis Clinic</u> We are holding a FREE client evening on Thursday 12th September in our Newtown branch to discuss arthritis in cats and dogs. The talk will be given by our Head Veterinary Nurse, Joedie and newly qualified Registered Veterinary Nurse, Megan.	We are continuing to host puppy parties throughout the summer, they are a great opportunity for you and your new pet to socialise with other owners and their companions. They are completely free of charge and packed with advice. Topics for discussion at our parties are socialisation, at home health checks and handling, teething and dental care, flea and worming, vaccination, insurance, practice health plan and nutrition. And our RVN's are happy to answer any additional questions. Just ask your local branch for more details.		
<table><tr><td data-bbox="7 1348 794 2175"> <u>PRACTICE NEWS</u> Congratulations to Meg Willis who has just graduated as an RVN, she has been with us for 3 years now and her results are well deserved. A big well done to her! We have 4 new vets that have joined us. Georgina and Emma are starting in our Knighton branch this summer whilst Carwyn and Becky are starting in Newtown. All four are great fun and really keen to get stuck into work at Hafren Vets. </td><td data-bbox="794 1348 1584 2175"> Recently some of our Newtown staff completed the cross wales walk in aid of the DPJ foundation. The DPJ Foundation was set up in July 2016 following the death of Daniel Picton-Jones. The foundation aims to support people in rural communities with poor mental health, especially men in the agricultural sector. Agriculture carries one of the highest rates of suicide and with mental health being such a big problem across society the foundation aims to break down the stigma that surrounds mental health and provide support services for those in rural communities.
